## Comments

*I must say, this gym I heard about from a mate is quite splendid. The monthly fee is quite reasonable for all the gear it offers. There are contraptions that I'm not entirely familiar with, but I reckon I'll suss them out eventually. The variety of equipment is top-notch. You've got three sets of dumbbells, multiple squat racks, several benches, cable machines, treadmills, stair climbers, bikes, and a plethora of weight plates. Even when there's a crowd of 20 in the gym, you never feel like you're getting in anyone's way or waiting around for equipment. Naturally, it's open 24/7, and there's an initial fee for the access fob. There isn't always staff on hand, but if you run into any issues, you can give the Owner a bell or shoot them a text for assistance. Plus, the place is spotless. There's a separate area with heavy bags, a massive tire, and plenty of space for those who enjoy skipping rope. Discovering this gym truly made my day. They're always adding new bits and bobs here and there.*
