## Comments

#### **Christina Sanders**

Just begun my lifting journey at this establishment and I must say, it is quite remarkable. There's never a queue for the squat rack and all equipment is consistently well-maintained. Some machines seem to be a throwback to the 80s, likely because that's exactly where they're from, but they get the job done. A proper old-school bodybuilding gym. Ryan is also exceptionally amiable and supportive. I cannot emphasize enough how much I recommend this place.

Celli's gym is truly the best I've ever had the pleasure of training at! Having been committed to weightlifting for a decade now, I've experienced a wide range of gyms during that time, but none have compared to the top-notch facilities at Celli's. As a legendary powerlifter, owner Ryan Celli has truly utilized his expertise in crafting a gym that is unparalleled in its equipment offerings. Whether you're striving to enhance your overall health and fitness or aiming for elite levels of physical performance, Celli's has all the resources you need to achieve your goals and unlock your full potential.
