Membership Required for a Remarkable Experience

To join our vibrant gymnastics community, a ****membership is required****. This allows us to maintain small class sizes, ensuring personalized attention for each

child. Our coaches are dedicated to helping young gymnasts improve their skills, whether they are just starting or are more experienced.

Accessibility for All

We understand the importance of accessibility. Our facility features a ****wheelchair-accessible car park**** and a ****wheelchair-accessible entrance****, making it easy for everyone to join in on the fun. From toddlers learning basic movements to older children refining their gymnastics techniques, our center fosters a supportive environment for growth and development. Parents have shared how beneficial it is for kids to engage in gymnastics, noting that while they might need to assist with the logistics, the experience is incredibly rewarding.

Parent Involvement and Planning

Feedback from parents emphasizes the collaborative nature of classes. Many have noted that ****parents participate in the 'me and my grown-up' classes****, creating wonderful bonding experiences with their children. Planning how to support your child's journey in gymnastics is vital, and we encourage parental involvement when needed, especially in the early stages of development. However, many believe that parents should remain off the floor unless their child is hurt or in distress, allowing coaches to guide and teach effectively.

Supportive Coaching Staff

Our coaching staff at S W Gymstars is known for being ****very helpful**** and approachable. They work closely with every child to enhance their skills, ensuring that classes remain engaging and productive. With small class sizes, children receive more time with coaches, allowing them to build confidence and improve at their own pace.
