Gracie Combatives Class – Gracie Combatives is our beginner program for adults. In this program, you will learn the 36 core techniques of Gracie Jiu-Jitsu in a fun, safe, and cooperative environment. Each one-hour lesson addresses one standing and one ground self-defense technique. You can start the program at any time and participate in any class without previous experience and, since safety is our number one concern, there is no competitive sparring in this program. Upon successful completion of the Gracie Combatives program we will promote you to Gracie Jiu-Jitsu Blue Belt and you will qualify for advancement to the Master Cycle program.

Master Cycle Class – Beyond blue belt, Gracie Jiu-Jitsu consists of hundreds of advanced techniques organized into a clearly defined, systematic curriculum called the Master Cycle. The Master Cycle's unique structure simplifies the journey to black belt by organizing all of Gracie Jiu-Jitsu into seven positional chapters (Mount, Side Mount, Guard, Half Guard, Back Mount, Leg Locks, Standing), each of which is studied for several months before moving on to the next chapter.

BullyProof Class (Little Champs & Jr. Grapplers) – Every month in the United States, three million children miss school due to fear of bullies. In the Gracie BullyProof program, our goal is to instill in your child unshakable confidence so they can overcome bullies without violence. Due to the non-violent nature of the techniques, CNN, ABC, NBC, and Oprah have featured the Gracie BullyProof program as one of the few effective counter-measures to bullying for children between the ages of 5 and 13.
