<p><i>I recently enrolled my little one in speech therapy at this Wellness center. The therapist, Hannah, was absolutely wonderful. In just one session, she managed to engage my daughter in conversation, which is no easy feat. I am eager to see the progress my daughter and I can make with Hannah's help in improving her speech.</i></p> <p><i>I was pleasantly surprised by the wide range of services available for children at this center. It truly is a valuable asset to our community, and I am grateful for its presence. While I haven't always been the biggest fan of Valley Health, this center has definitely improved my opinion of them. Excellent work!</i></p>
